

REMARKS

This application is U.S. National Phase from International Application PCT/FI03/0038. Referring to the International Preliminary Examination Report issued in this PCT Application, applicant respectfully requests entry of the amendments to the claims as shown herein. More specifically, applicant has cancelled claims 1-20 and added new claims 20-40 either to remove multiple dependency or to more particularly point out and distinctly claim the subject matter which applicant regard as his invention. Support for the new claims can be found in the cancelled claims and in the specification. In addition, applicant has amended the specification to include subheadings as required by U.S. rules. No new matter has been added.

Claims 20-40 are pending. Applicant asks that all claims be examined in view of the amendment to the claims.

Please apply any other charges or credits to deposit account 06-1050, referencing Attorney Docket No. 13162-014US1.

Respectfully submitted,
